Online Assignment

Chapter 67
Heating and Air-Conditioning System Service

Question 5

(Online) find two videos that explain how to retrofit an R-12 system to an R-134a system. (Below) list the steps and equipment needed to complete a retrofit of an R-12 system to an R-134a system. List why a retrofit may be required and list several challenges of completing a retrofit. Be prepared for in-class discussion. List references.
