

# Chapter 15

## A/C System Diagnosis and Repair

### ACROSS

- 3 Many HVAC systems are controlled by the \_\_\_\_\_.
- 4 Most vehicle manufacturers specify that the first step after the customer concern has been verified is that a \_\_\_\_\_ be performed.
- 5 Some manufacturers install an electronic evaporator dryer (EED), also called an \_\_\_\_\_.
- 6 \_\_\_\_\_ are issued by vehicle and aftermarket manufacturers to inform technicians of a situation or technical problem and give the corrective steps and a list of parts needed to solve the problem.

### DOWN

- 1 Another problem can be \_\_\_\_\_, in which a vibrating metal A/C line contacts another surface (flat surfaces produce the most noise).
- 2 Some manufacturers install an \_\_\_\_\_, also called an after-blow module.
