

Name _____ **Course** _____ **Section** _____

Task Sheet Name	Task Sheet Page	Date Completed	Instructor OK
Chapter 1 - Service Information, Tools, and Safety			
Air Conditioning Work Order (A7-A-2)	1		
Chapter 2 – Environmental and Hazardous Materials			
MSDS Sheet – Pickup	2		
Chapter 3 – Heating and Air-Conditioning Principles			
AC Component Identification (None specified)	3		
Chapter 4 – The Refrigeration Cycle			
A/C Components Purpose and Function (None specified)	4		
Chapter 5 – Air-Conditioning Compressors and Clutches			
Air Conditioning Compressor Clutch Control Diagnosis (A7-D-2)	5		
Air Conditioning Compressor Service (A7-B-2, A7-B-3, A7-B-6)	6		
Chapter 6 – Refrigerants and Refrigerant Oils			
Refrigerant Oil Inspection (A7-A-7, A7-A-8)	7		
Refrigerant Handling Equipment (A7-E-1)	8		
Chapter 7 – A/C System Components and Operation			
Inspect the Air Conditioning Condenser (A7-B-7)	9		
Receiver/Drier Accumulator Drier (A7-B-8)	10		
Replace Expansion Valve/Orifice Tube (A7-B-9)	11		
Chapter 8 – Airflow Management System			
Blower Motor Diagnosis (A7-D-1)	12		
A/C and Heater Controls (A7-D-3, A7-D-4, A7-D-5)	13		
Chapter 9 – HVAC Electricity and Electronics			
HVAC Electrical Controls (A7-D-1)	14		
Chapter 10 – Engine Cooling System, Parts, and Operation			
Cooling System Inspection (A7-C-1)	15		
Chapter 11 – Heating System Operation and Diagnosis			
Heating System Performance Check (A7-A-1, A7-C-2)	16		
Heater System Service (A7-C-3, A7-C-4)	17		
A/C Ducts and Doors (A7-D-6)	18		

Task Sheet Name	Task Sheet Page	Date Completed	Instructor OK
Chapter 12 – Automatic Temperature Control Systems			
Automatic/Dual Climate System Identification (A7-A-2)	19		
Automatic A/C System Operation Diagnosis (A7-A-9, A7-D-8)	20		
Chapter 13 – Hybrid and Electric Vehicle HVAC Systems			
Hybrid Vehicle A/C System Precautions (A7-B-4)	21		
Hybrid A/C System Circuits (A7-B-4)	22		
Chapter 14 – Refrigerant Recovery, Recycling, and Recharging			
Identify and Recover Refrigerant (A7-E-1, A7-E-2)	23		
Recycle Refrigerant (A7-E-3)	24		
Evacuate and Charge the Air Conditioning System (A7-E-4)	25		
Chapter 15 – A/C System Diagnosis and Service			
Air Conditioning System Performance Test (A7-A-1, A7-A-3)	26		
Air Conditioning Noise Diagnosis (A7-A-4)	27		
Refrigerant Identification/Read Pressures (A7-A-5)	28		
Leak Test the Air Conditioning System (A7-A-6)	29		
Determine Need for Refrigerant Filter (A7-B-5)	30		
Air Conditioning System Performance Check (A7-B-11)	31		
Air Conditioning Control System Diagnosis (A7-D-3)	32		
Identify the Source of A/C System Odors (A7-D-7)	33		
Evaporator Housing Drain (A7-B-10)	34		
Evaporator/Heater Core Replacement (A7-B-12, A7-C-4)	35		
Condenser Replacement (A7-B-13)	36		
Inspect Belts and Hoses (A7-B-1)	37
