Chapter 105

Disk Brakes

Question 1

(Online) find articles describing low-drag brake calipers. (Below) list the advantages of low-drag brake calipers. List how low-drag calipers are different than standard calipers. Explain the need for a quick take-up master cylinder when using low-drag calipers. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
