Chapter 46

Capacitance and Capacitors

Question 1

(Online) find articles about the different types of capacitors used in vehicles.

(Below) list two different types of capacitors used in vehicles. List the materials that are used to construct each capacitor. List the location and application of each type of capacitor. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
