

Online Assignment

Chapter 53

Cranking System Diagnosis and Service

Question 2

(Online) find two videos about removing a starter motor. (Below) list the steps and equipment used in each video. List any potential issues or problems with removing a starter motor. List how each video improved your understanding of how to remove a starter motor. Be prepared for in-class discussion. List references.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface. The overall appearance is that of a clean, unused piece of stationery.
