Online Assignment

Chapter 3
Starting a Career in the Automotive Industry

Question 5

(Online) visit the Internal Revenue Service (IRS) website and find the most recent tax year's tax table. (Below) list the amount of yearly taxes that you will pay as an automotive technician making $45,000/year. Also, list as a percentage the amount of tax would you pay. As an employee, list how your taxes are paid. List when yearly tax filings are due. Be prepared for in-class discussion. List references.
