

Online Assignment

Chapter 118

Rear Suspension Service

Question 3

(Online) find two videos about how to remove and replace rear springs. (Below) list the steps and equipment needed in replacing a rear spring. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
