

Online Assignment

Chapter 119

Electronic Suspension Systems

Question 4

(Online) find two articles about lateral accelerometer sensors. (Below) list the purpose of lateral accelerometer sensors and describe what they measure. List how lateral accelerometer sensors improve safety and handling. Be prepared for in-class discussion. List references.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.
