Chapter 120

Steering Columns and Gears

Question 3

(Online) find two videos about how to remove a steering wheel. (Below) list how to remove a steering wheel. List the tools needed to remove a steering wheel and list the safety precaution(s) that need to be completed prior to removal. Be prepared for in-class discussion. List references.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface. The overall appearance is that of a clean, unused piece of stationery.
