

Online Assignment

Chapter 125

Alignment Diagnosis and Service

Question 4

(Online) find two videos about resetting a Steering Angle Sensor (SAS) (Below) list when and why a SAS needs to be reset. List the other vehicle systems the SAS provides and sends input information. Be prepared for in-class discussion. List references.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface. The overall appearance is that of a clean, unused piece of stationery.
