

Online Assignment

Chapter 128

Drive Shafts and CV Joints

Question 5

(Online) find two videos about center support bearings. (Below) list when center support bearings are required. List the purpose of a center support bearing and describe several causes of center support bearing failure. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
