

Online Assignment

Chapter 135

Automatic Transmission/Transaxle Diagnosis and In-Vehicle Service

Question 4

(Online) find two articles about flushing automatic transmission fluid (ATF). (Below) list when and why ATF needs to be flushed. List and briefly describe how to flush ATF. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
