

Online Assignment

Chapter 23

Lubrication System Operation and Diagnosis

Question 4

(Online) find two videos that demonstrate how to check engine oil pressure.

(Below) list the steps and equipment needed to check engine oil pressure. List several possible causes of low and hi oil pressure readings. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
