Chapter 70

Diesel and Biodiesel Fuels

Question 5

(Online) find two articles about the different grades of diesel fuel. (Below) list the different grades of diesel fuel. List the chemical properties for each grade of diesel fuel and list the type of vehicles that use each grade. Be prepared for in-class discussion. List references.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.
