

Online Assignment

Chapter 72

Ignition System Diagnosis and Service

Question 2

(Online) find two videos about how to diagnose a no-start condition. (Below) list how to diagnose a no-start condition (with normal engine cranking speed). List the equipment needed to diagnose a no-start condition. List the possible causes of a no-start condition. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
