Chapter 85

Evaporative Emission Control Systems

Question 3

(Online) find two videos about diagnosing leaks in an Evaporative (EVAP) control system. (Below) list two testing methods to locate leaks in an EVAP control system. List the signs and symptoms of a faulty EVAP system. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
