

Chapter 110

ABS Components And Operation

Find the words in the grid. Words can go across, down and in two diagonals.

```

R G T P R E S S U R E H O L D I N G S T A G E K K

|--------------------------|--------------------------|----------------------|
| Accumulator | Pressure decay stage | Release |
| Active sensor | Pressure dump stage | Release solenoid |
| Antilock braking systems | Pressure holding stage | Select low principle |
| Channel | Pressure increase stage | Solenoid valve |
| Control module | Pressure reduction stage | Tire slip |
| Isolation solenoid | Pressure release stage | TPMS |
| Nonintegral ABS | Rear antilock braking | Wheel speed sensors |
| Passive sensor | Rear wheel antilock | |
