

Online Assignment

Chapter 23

Engine Removal and Disassembly

Question 1

(Online) find two articles and/or videos that discuss when to replace an engine. (Below) list the conditions or faults that require engine replacement. List the factors that may be involved (cost, age of the vehicle, time, etc..) in making a decision to replace an engine. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
