Chapter 118

Rear Suspension Service

Question 4

(Online) find two videos about how to inspect a rear suspension. (Below) list the rear suspension components that require inspecting. For each component, briefly list what the technician is assessing. Be prepared for in-class discussion. List references.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
