# Online Assignment

## Chapter 52
## Cranking Systems

### Question 5

(Online) find three advertisements for aftermarket remote car starters. (Below) for three different remote car starters, list the price, manufacturer, and retailer. List if each remote starter is a do-it-yourself kit or installed professionally. List the key features and if the remote car starters are integrated with other features such as a security system. Be prepared for in-class discussion. List references.
