

Online Assignment

Chapter 59 Immobilizer Systems

Question 5

(Online) find two articles or videos about mobile smartphone apps that operate a vehicle’s security system. (Below) for two smartphone apps, list how the apps work and if the apps are integrated with other vehicle functions, such as starting the vehicle. List if the apps have a GPS tracking feature. For each app, list any other key features. Be prepared for in-class discussion. List references.
