

Online Assignment

Chapter 68

Gasoline

Question 3

(Online) find two videos that explain octane ratings. (Below) list what the octane rating number means. List the relationship between the octane rating and compression ratio. List how altitude can affect octane rating. List how not using gasoline with the proper octane rating can impact engine performance. Be prepared for in-class discussion. List references.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
