

Name _____

MATCHING. Choose the item in column 2 that best matches each item in column 1.

- | | | |
|--------------------------------------|------------------------------|-----------|
| 1) Indicates specified tire pressure | A) Wheel speed sensor | 1) _____ |
| 2) Cause of pressure increase | B) Placard | 2) _____ |
| 3) Start of required TPMS | C) Cool temperature | 3) _____ |
| 4) Pressure checking temperature | D) Warning lamp flashing | 4) _____ |
| 5) Indirect TPMS pressure sensing | E) Valve stem | 5) _____ |
| 6) Direct TPMS sensing | F) Year 2008 | 6) _____ |
| 7) TPMS warning threshold | G) Sensor inside tire | 7) _____ |
| 8) TPMS fault detected | H) Warning lamp ON | 8) _____ |
| 9) Low tire pressure detected | I) Valve cap | 9) _____ |
| 10) Mounting for pressure sensor | J) High temperature | 10) _____ |
| | K) Pressure 25% below normal | |
| | L) Tire sidewall | |
